Flipkart Returns Resolution Process Guide

Document ID: FLIPKART-RETURN-PROCESS
Marketplace: Flipkart (Cross-Platform Reference)
Scope: Step-by-step procedural guide for return creation, verification, and refund routing.

1. Procedural Return Flow

1. **Initiation:** The customer navigates to "My Orders" on Flipkart and selects "Return".
2. **Reason Selection:** The customer specifies the issue (damaged, defective, wrong product) and may upload photos.
3. **Doorstep Quality Check:** The courier representative verifies brand tags, MRP labels, and device condition during pickup.
4. **Refund / Replacement Execution:** Refunds are disbursed to bank account, UPI, or Flipkart Gift Card upon pickup confirmation.
