Amazon.com (US) Customer Returns Policy [QUARANTINED]

Document ID: AMZ-US-RETURNS-EXCLUDED
Marketplace: Amazon.com (United States)
Status: QUARANTINED - STRICTLY EXCLUDED FROM RETRIEVAL

1. US Platform Scope & Statutory Differences

Amazon.com policies govern shipments within the United States and international shipments governed by US jurisdiction. General items are returnable within 30 days of delivery, including extended holiday return policies through January 31 for purchases made in November and December.

CRITICAL RED-TEAMING & SECURITY GUARDRAIL:
This document is quarantined in the excluded directory solely for regression testing and red-team evaluation of cross-marketplace isolation. Vector search engines, RAG pipelines, and agent prompts MUST enforce: `marketplace == 'Amazon.in' AND is_excluded == False`. Under no circumstances may an Amazon.in dispute be answered using this 30-day US policy.
